

A new energy resource application from Scarborough Energy

We are submitting a planning application to produce reliable, lower carbon gas from an existing wellsite near Ebberston which will help supply the local gas network.

Public event

Please join us for a drop-in session at **Ebberston Village Hall on Thursday 9th July**. We'll be there from **3pm until 7pm** and you can find out more about the plans, meet the project team and complete a feedback form.

Ebberston Village Hall is at 56 Main Street, YO13 9NS.

Online

You can also have your say online. Please visit the consultation website **ebberston-consultation.online** where you will find information on the proposed development and an online feedback form will be available during the consultation.

The consultation runs from Thursday 9th July to Friday 31st July.
